EDUCATION

○ **Bachelor of Science (Double degree)**   2016–2021
Amirkabir University of Technology   *Tehran-Iran*
  - Electrical Engineering   *2016–2020*
    · GPA: 3.84/4
  - Computer Engineering   *2018–2021*
    · GPA: 3.78/4

RESEARCH INTERESTS

I am broadly interested in NLP and Computational Linguistics, particularly, I'm interested in aligning language models with human values, assisting humans through NLP, and NLP for the common good.

PUBLICATIONS

○ Self-Instruct: Aligning Language Model with Self Generated Instructions
Yizhong Wang, **Yeganeh Kordi**, Swaroop Mishra, Alisa Liu, Noah A. Smith, Daniel Khashabi, Hannaneh Hajishirzi
ACL, 2023

○ Super-NaturalInstructions: Generalization via Declarative Instructions on 1600+ Tasks
◇Yizhong Wang, ◇Swaroop Mishra, ♣Pegah Alipoormolabashi, ♣**Yeganeh Kordi**, ..., Chitta Baral, Yejin Choi, Hannaneh Hajishirzi, Noah A. Smith, Daniel Khashabi
EMNLP, 2022
◇ Co-first authors; ♣ Co-second authors, alphabetical order.

○ UnifiedQA-v2: Stronger Generalization via Broader Cross-Format Training.
Daniel Khashabi, **Yeganeh Kordi**, and Hannaneh Hajishirzi
arXiv preprint arXiv:2202.12359.

RESEARCH EXPERIENCE

○ *Allen Institute for AI* and *H2lab at University of Washington*   July 2021–present
Mentors: Daniel Khashabi, Yizhong Wang
Research Collaborator

○ *JHU Center for Language and Speech Processing*   August 2022–present
Mentor: Daniel Khashabi
Research Collaborator

○ *IT lab at university of Tehran*   June 2019–July 2021
Student Researcher

INVITED TALKS

○ *University of Tehran*   May 2023
Instruction Tuning of Large Language Models

TEACHING EXPERIENCES

○ Teaching Assistant (Amirkabir University of Technology)
  - Machine Learning   Fall 2021 - Spring 2023
  - Data Mining   Fall 2021
  - Algorithm Design   Fall 2021 - Winter 2022
  - Cloud Computing   Spring 2021
  - Digital Logic Circuits   Fall 2020-Fall 2021

HONORS

- Ranked 148th in university entrance exam, among more than 70,000 participants.
- Ranked 19th in the university graduate entrance exam, among more than 5,000 participants.

LANGUAGE SKILLS

- Persian: Native
- TOEFL (2021): Internet-based Test, 99/120.
  Reading (28/30), Listening (26/30), Speaking (23/30), Writing (22/30)
